#### Description

-Went to: <https://www.phptravels.net/flights>  
-Select ONE WAY flight from 'DEN' to 'LAX'  
-left date of the flight in its default setting  
-default number of passangers was set to 1 adult  
-Clicked on passanger box, passanger adding dropdown opened  
-By clicking “” symbol left from number of adults 1 time, I set the number of passangers to 0  
-Clicked search button  
**SEARCH WAS PREFORMED FOR A TOTAL OF 0 PASSANGERS**
